TI ELEMENT

ELEVATING TINTING ESSENTIALS

Simplicity, affordability, and reliability define the X-Series. Recognized for its simple design, user-friendly operation, and low maintenance, it has set the standard in basic tinting.

Building on this legacy, the TI Element™ platform incorporates years of customer insights and innovation. It is designed to elevate tinting essentials for small and medium daily tinting operations, offering **new levels of simplicity, performance, reliability, and lower TCO.**

Introducing **TI ELEMENT 4**, the all-rounder dispenser from the TI ELEMENT platform family.

TI ELEMENT 4

ACHIEVE MORE WITH AN ALL-ROUNDER

SIMPLE & ROBUST

Strong steel frame made to last. No assembly needed; easy to set up and use, with minimal training

SCALABLE & VERSATILE

A larger dispense bay, more canisters with flexibility up to 24 or 32 canisters. Compatible with any colorant system

ENHANCED PERFORMANCE

Flow rate of 558 ml/min (19 oz) and minimum dispense of 0.050ml (1/512th of a shot), for enhanced speed and accuracy

SMART & CONNECTED

Seamless integration with Tintelligence apps suite for more intuitive dispensing, real-time updates, remote fleet management and quick service resolution

ULTRA-LOW MAINTENANCE

Daily maintenance in a matter of minutes with a simple clean of the brush, nozzle, and can shelf. The new wet brush system with a magnetic sensor extends cleaning intervals and ensures proper brush placement for smooth operation

RELIABLE & SUSTAINABLE

The ZeroPurge™ piston pump ensures 100% recirculation, effectively eliminating idle colorants that can lead to dry nozzles and blockages. With our innovative AutoDrive™ technology, the pump seamlessly operates even with the most challenging colorants, ensuring reliable performance and preventing costly mistints

MAXIMIZE YOUR POTENTIAL WITH THE ROBUST, RELIABLE AND VERSATILE TI ELEMENT 4

- ✓ Simple operation requires minimal training and support
- ✓ Strong and robust, built to last
- ✓ Self-serviceable machine, requiring very few service visits
- ✓ Easy and minimal maintenance
- ✓ Eliminate colorant wastage and mistints
- ✓ Easily manage peak hours and large can order
- ✓ Keep spare inventory low with common parts
