

Guaranteed to give perfect tinting results with a smaller footprint. The compact HA180 is designed in such a way that every operation and housekeeping activity stays within easy reach. The unique turn lid design and tabletop working height save space and optimize accessibility.

Using the ZeroPurge™ piston pump and AutoDrive™ technology, the HA180 is a true Harbil in every aspect. Expect premium performance in efficiency, reliability and speed for your business operation.

#### **ZeroPurge piston pump**

The same pump valve housing for every dispenser. Guaranteed tinting accuracy, zero colorant waste and a modular pump design for easy serviceability.

*Flexible bracket design; fits left or right.*

# A true Harbil. In every aspect.

The front access and low working height make the HA180 a favorite among operators. View the work-flow and housekeeping status on the operator display. Refill the canisters via the top turn lid and access the brush easily from the front of the dispenser.

## Unique turn lid design

The refill opening position of the turn lid can easily be changed to make canister refill from any side possible.

*A refill height of  
131 cm makes easy  
refill possible.*

Agent:

# HA180

## Specifications & technical data

### General

- Automatic sequential
- Solvent based, water based, universal

### Canisters

- Up to 24 canisters
- Material: Polymeric (POM)
- Sizes: 2.3/4.6 L

### Pump

- Harbil® ZeroPurge™ Piston pump
- Size: 40 ml
- Flow rate: 0.4 - 0.5 l/min
- Min. Dispense: 0.05 ml
- Nozzle diameter: 2/4/6 mm
- Stainless steel ball valve
- Seals material: Teflon / Viton extreme / Viton
- Copied calibration - no recalibration required

### Nozzles

- Air tight - integrated nozzle closures
- Cleaning system: automatic brush & internal flush

### Can table

- Manual lift / Electric optional
- Dimensions: 44 x 31 cm
- Loading height: 36 cm
- Max. can height: 46 cm
- Optical can sensor

### Dimension & weight

- HWD 140 x 81 x 100 cm
- Filling height: 131 cm
- Packaging dimensions: 193 x 117 x 98 cm
